Dear Families,
Welcome to Term four everyone. It will definitely be a jam packed term!

First Reconciliation
Tomorrow our Year three students will take part in their very first experience of the sacrament of Reconciliation. The Sacrament of Reconciliation is a sacrament in which the students will experience God’s grace and love. I ask you to please keep these children and their families in your prayers as they make their final preparations to receive this sacrament.

Sporting Opportunities
This term, St Joseph’s students will take part in a range of sporting opportunities. This includes Gymnastics for Stages Two and Three and Swimming for Stage One. Many thanks to Brian Conroy. Brian has sourced grant funds for these programs. This will significantly reduce the costs for families.

Music Tuition Program
The Music tuition program continues this term. A reminder that parents/carers who chose for their child to be part of the Music program agreed to participate in the supervision of the Video Conference lessons. This is an expectation of ALL families of students in the program. The program can only continue if there is supervision of the VC lessons.

A New Look Canteen
This term we welcome Julianne Dowling and Gina Galluzzo to our staff. Julianne and Gina have taken on the shared role of Canteen Managers. They are already off to a great start with fresh and tasty treats on offer for our students.

Kindergarten Transition Program
This term our Kinder students for 2017 will join us for several transition opportunities. This begins with Kindergarten Open Classes every day next week. Kinder 2017 students and their parents/carers are encouraged to visit between midday and 1pm on any day next week. The purpose of our transition program is to provide the students with the best possible beginning to primary school. Our goal is for each student to be happy and settled within the school environment when they begin primary school in January.

New Furniture
Our school is looking wonderful thanks to the addition of brand new, state of the art furniture which has transformed our learning spaces. Pop in and have a look. We are very excited! You will be too!

St Joseph’s Celebrates 100 Years
You will receive a flyer today inviting you to be part of a planning team for the centenary of St Joseph’s which will take place in October 2017. Already people have put their hand up for this group. Are you interested too? We would love to hear your ideas.

Raffle Tickets
The 2016 St Joseph’s raffle is now underway. After discussion we decided that coming up to Christmas, families would find cash prizes very handy. Could YOU use $1000 cash? If so, get on board our 2016 raffle. Tickets are just $2 each or 3 for $5. Tickets were sent home to each family today through the blue boxes. Tickets and ticket money can be returned to the school office. I thank you for your support of our school.

Mrs Mary Jane Simms.

Uniform Shop Coordinator.
Mrs Patrizia Salafia.

**Emergency Canteen Volunteer List**
If you would like to be included on the canteen roster, it is not too late. It would be helpful to have a list of people who can be called on to help if something crops up unexpectedly on the day a parent/carer is rostered to volunteer in canteen. Please let Maxine or Serena in St Joseph's office know if you can help in this way.

**P & F Fundraising Raffle**
Raffle tickets were sent home today with the eldest child in each family. There are three cash prizes to be won. All raffle books are to be returned by Thursday 1 December 2016. Your help with this fundraiser will be gratefully appreciated.

Welcome back to Term 4 Music!

Lessons have begun already this week, with students having VC and face to face lessons with their tutors. Those who haven’t had a face to face lesson this week will have theirs next week.

Students have been given the timetable for the next four weeks (up until week 5). On this roster are the parent supervisors for each week. Please check this to see if/when you are rostered on. Remember if you cannot do your rostered day or time for whatever reason, please try and get someone to cover you, or swap with another family on the roster.

We are all looking forward to a great term of music lessons, and hope that the students are really enjoying themselves.

Yours in music 😊

Miss Kane

School zones are back in force!

Motorists are reminded that 40km/h speed limits will be in operation in school zones as the new school term commences on Monday 10 October.

All 40km/h school zones in our region operate between 8am to 9.30am and from 2.30pm to 4 pm on all gazetted School Days. The 40km/h school zone speed limit must be observed even on student free days and if school children cannot be seen.

Higher fines and demerit points apply if you are caught speeding in a school zone.

So keep our children safe and obey the road rules in school zones.

A message from Leeton Shire Council’s Local Government Road Safety Program.

Sport and Recreation’s Swim and Survive lessons

Australian summers usually involve plenty of fun in and around the water, but no parent should forget how important it is to make sure children stay safe.

Sport and Recreation’s Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results, and are great fun as well. Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are $70 for school-aged children and $50 for preschoolers (prices exclude pool entry fee).
