Dear Families,

As parents and carers you would be very aware that in order for children to maximise their learning at school each day, they need to feel safe and happy. This includes knowing that people care about them, their needs for support, respect and friendship are met and they can seek the help they need to work out problems. At St Joseph’s we have begun utilising “Kidsmatter” as a tool to further develop our school as a welcoming and safe place for every student.

What is Kidsmatter?
KidsMatter is a mental health and wellbeing framework for primary schools which has been proven to make a positive difference to the lives of Australian children. KidsMatter provides the methods, tools and support to help schools work with parents and carers to nurture happy, balanced kids. KidsMatter was developed by mental health professionals and education and childcare staff in response to the high rates of school-age children with mental health difficulties and the problems they face getting help. It is a partnership between education and health sectors and is funded by the Australian Government and Beyond Blue.

As part of the Kidsmatter program we are seeking the input of every family at our school. We encourage EVERY family to take part in a short online (or paper) survey. It will take just 2-3 minutes and will assist us in identifying priority areas. As an incentive for you to fill out this survey, one family which completes the survey, will win a brand new scooter! The survey is completely anonymous. No identifying data is collected by Kidsmatter. Details of the survey were sent home to every family today. If you are reading an electronic copy of this newsletter, you can access the survey here: http://www.kidsmatter.edu.au/primary/other-resources/school-surveys/parent-survey

If you would like more information, a Video link that explains Kids Matter found here: https://www.kidsmatter.edu.au/primary/about-kidsmatter-primary

Kidsmatter produces excellent information sheets for school communities and we will regularly include them in our weekly newsletters. ‘Belong at school makes a difference’ is included in today’s newsletter.

Kindergarten Transition Program
Our 2017 Transition program has commenced. This week our new Kinders visited throughout the week between 12 midday and 1 pm, accompanied by a family member. The purpose of these sessions was to provide an opportunity for the children to become familiar with the Kindergarten environment, whilst having the comfort of the presence of a family member with them. We have had very positive feedback from the families about this transition opportunity.

Commencing next week for the next three weeks, small groups of Kinders will come to school one day per week between 9.30am and 11am. Each family has been provided with a roster indicating their day. In coming weeks there will also be half day and full day transition opportunities for the new Kinders. I commend our Kinder teachers Mrs Maybon and Mrs Graham for making the students and their families feel so welcome and comfortable.

Planning for 2017
As a staff we have begun planning for the 2017 school year. There is much to consider when placing students in classes with their peers and teachers. We aim to meet the academic, social and emotional needs of all students when making these important decisions. Such decisions are not taken lightly, nor made easily. If there is anything that you feel should be considered in relation to your child for 2017 please put this in writing addressed to me and send into the office by next Tuesday October 25. If you would like to discuss these considerations please make an appointment via the ladies in the office.

Our Whole School Raffle
We are off to a great start with our 2016 raffle! Many, many thanks to those who have already returned their tickets. Your support of your school is much appreciated. Some families have asked for extra tickets. These are available at the front office.

Mrs Mary Jane Simms.

Change of Day for the Uniform Shop
Just a note to advise a change of day for Week 3, the Uniform Shop will be open Monday, 24 October 2016, instead of Thursday, 27 October 2016. This is to coincide with our Kindergarten Transition Program. Sorry for any inconvenience this may cause.
Uniform Shop Coordinator.
Mrs Patrizia Salafia.

Book Club
All orders are due back by Friday 21 October 2016.

To Give Away
One bar fridge. Not working but could make a great esky for camping. Please call the school office on 69533248 to arrange pick up.

Mission Day
Our annual Mission Day will be held on Friday, 28 October from 11.45pm-1.00pm. Stage Three students will set up stalls with lots of activities at a low price (nothing over 50c). All proceeds from the day will go towards the great work of Catholic Mission. Casual clothes can be worn on Mission Day for a gold coin donation. Looking forward to lots of fun!
Stage Three students.

Bitts And Bobbs Stall – Mission Day
We will be having a Bitts and Bobbs stall at our Mission Day. We are asking for donations of any old, unwanted items to sell. We would love second hand books, toys, games and any other items you no longer need (but please no electronics or clothing). Please send all items to S3C. Your generosity would be greatly appreciated. Thank you.
The Bitts and Bobbs Committee.

Reconciliation
On Saturday 15th October, Year Three students made their First reconciliation. The students showed great reverence during this time, and did a great job of waiting until they could receive their reconciliation. Thank you to parents, and family members who gave up their time to come and support these students on Saturday. Also a big thank you to Father Dunne and Father Bell, as well as the staff who also were there to support the students.
On Sunday 16th October we had the Thanks Giving Mass, where students received their certificates for completing and participating in the program. It was great to see so many families there for this very special occasion.
Miss Kane, Miss Reneker, Mrs Vogel and Mrs Houghton

P & F Fundraising Raffle
Thank you to the families who have returned their raffle tickets and money already.
If you need extra raffle tickets please call in to the school office. All raffle books are to be returned by Thursday 1 December 2016 sold or unsold. Your help with this fundraiser will be gratefully appreciated.

Happy Birthday to you all from the school community!
Held annually around Australia, 'Socktober' is a Catholic Mission initiative which encourages young Australians to raise vital funds for children in need around the world so that they may have a better opportunity for a hope-filled future.

Each Friday we will be holding ‘5c Friday’ where we will be encouraging the children of St Joseph’s to donate as many 5c coins as they can. Seeing how this is a whole school initiative, a class sock display will be in the music room window to keep the children up to date with our fundraising so that they can see how we are ‘SOCKING IT TO POVERTY!!’ We will also have a ‘Crazy Sock Day,’ ‘Pass the Sock Around’ and a movie day with a movie that focuses on feet. Eg ‘Happy Feet’

Please support your child’s enthusiasm to donate on 5c Friday to help children throughout the world have a better future. After all...

- Socks work best in pairs- Catholic Mission works best when they partner with our school.
- Socks are all different- Catholic Mission recognize that every child is unique and special.
- Socks keep us warm, protect us, help us to enjoy sport and have fur- Catholic Mission, with the support of our school, protects, houses, feeds and educates kids globally.
- Socks are a part of the everyday clothes we wear- it’s the normal everyday contributions that allow us to make an extraordinary difference.

Sporting news from St Joseph's
This week saw the start of St Joseph's Gymnastics Program for Stage 2 and Stage 3 students. We are extremely lucky to have Mel and Laura from Activated Group coming to our school every Thursday to run the program. All the students who participated in this program this week thoroughly enjoyed themselves and many of them learnt new skills during the lesson. Each week the students will develop new skills in gymnastics.

On Saturday and Sunday this weekend teams from St Joseph's will travel to Canberra to play in the Catholic Schools Basketball Challenge. These students have been training for a number of weeks in preparation for this weekend. As a school community we wish all the students the best of luck and we are sure that they will represent our school exceptionally well. Thanks to the parents who will be transporting their children to Canberra and also those who will be coaching the sides on the weekend. We also thank Mrs Jane Dever who is attending as the school representative.

Stage 1 will commence their Swim and Survive Program during Weeks Four and Five. During Week 4 from Monday through to Friday between 11:30 and 1pm Year 2 students will catch a bus to the pool and spend 40-45 minutes each day going through a water confidence program with staff and trained instructors. In Week 5 following the same routine Year 1 students will have their water confidence program. Parents are reminded to send in $5 per student to cover the cost of using a bus throughout the week.

Those students in Year 5 wishing to trial for particular summer sports at a diocesan level are asked to let Mr Conroy know by Wednesday 2nd November. From these Diocesan Trials teams / squads participate in MacKillop Trials for possible selection to attend NSW PSSA State Championships. The sports that will have diocesan trials this term will be cricket (18/11), tennis (23/11), basketball (24/11) and softball (1/12). Once students have nominated for these sports more information will be sent home.

Dear Parents,

Life Education NSW is a not for profit community-based organisation that relies heavily on fundraising within the community to assist in meeting the shortfall left after receiving minimal assistance from Government funding. The sale of Harold merchandise to the children whilst the program is visiting each school supports the fundraising activities of local committees and all proceeds support Life Education within each local area. These products help to remind children about the messages delivered to them during their Life Education session and have either a picture of Harold or the Life Education logo on them. The educator will provide the opportunity for children to purchase these products during the school visit.

Please provide the correct money in an envelope with the item written on the face of the envelope along with your child’s name and class. This allows the educator to process orders efficiently and accurately. Orders will be returned by the conclusion of the visit.

Day of Reflection for the Year of Mercy
Saturday 29 October in Leeton

WHEN:       Saturday 29 October, 2016
WHERE:      Madonna Place, St Joseph’s Parish Hall,
            Wade Ave South, Leeton
TIME:       10am - 3.30pm, 9.30am Cuppa

BYO Lunch. Tea & Coffee provided

Presented By:  Fr Tony Loth & Sr Margaret Walsh pbvm

Theme: The Joy of the Gospel - The Joy of Mercy & Forgiveness

Pope Francis asked us to celebrate two great truths in the Holy Year of Mercy:

1. The Joy of the Gospel
   (Evangelii Gaudium)

2. The Joy of God’s Loving Mercy
   (Misericordiae Vultus)

The day will focus on the opening words of the Pope’s message to us, “Jesus Christ is the face of the Father’s mercy ..... the mystery of mercy is a wellspring of joy, serenity and peace....”

We will reflect on the understanding of ‘mercy’ in the Scriptures and the question:

“How can we be the face of God’s mercy in our world today?”

Belonging at school makes a difference

Aunt Sue also talked to Tommy’s friend, Lulu, who had come over to play. “What about you, Lulu? How do you like school?” “It’s good. If I need the teacher then I have to put up my hand. But if I need help at playtime I can ask Jackie,” said Lulu. “Is Jackie your friend?” “Jackie’s my buddy. She’s a big girl.” “What does a buddy do?” “She helps me if I don’t know where to go or other stuff. She helps to look after me ‘cos she’s big and I’m new.”

Starting school is a big change for children

Not only do they have to cope with schoolwork and teachers, but they also have to get used to being part of a class and a whole school. A lot more is expected of children when they start school and there are lots more people to get on with. It helps children to know that there are people at school who will look after them and care about their needs.

Belonging improves mental health, wellbeing and learning

All children need to feel that school is a safe place where people will care about them, where their needs for support, respect and friendship will be met, and where they will be able to get help to work out problems. When these needs are met children develop a sense of belonging at school. Belonging is very important for children’s mental health and wellbeing.

Children who feel that they belong at school are happier, more relaxed and have fewer behavioural problems than other students. They are also more motivated to learn and be more successful with their school work. Research into children's mental health has found that a sense of belonging and connectedness at school helps to protect children against mental health difficulties and improves their learning.

Making friends and having positive relationships with teachers helps children develop a sense of belonging at school. Having older ‘buddies’ to turn to helps younger children feel that school is a place where they can get help if they need it. Looking after younger children encourages caring and helping in older children and helps to reduce conflicts and bullying. These are some of the ways that children’s sense of belonging at school can be supported.
More ways schools can help create a sense of belonging

As part of KidsMatter Primary, schools look closely at ways they can continue to build strong positive respectful relationships with all students and families. This includes things like:

- making the school environment welcoming for all students and families
- encouraging teachers to get to know all their students and their families
- identifying ways of improving communication with families
- focusing on child and family strengths
- making sure that school policies on safety, welfare and discipline are clearly communicated and support a sense of belonging for children and families.

All children need to feel that school is a safe place.

How parents and carers can help

Parents and carers can work with school staff to help create a bridge between home and school. When the adults responsible for children take a positive interest in what happens at school it helps children feel at home. It also makes it easier to pick up any problems early when they are easiest to resolve.

- Find out about the school and what your child is learning; participate in information sessions.
- Make time to listen to your child tell you about what he or she is doing at school.
- Let your child's teacher know if he/she is having difficulties and discuss what kinds of things you can do at home and school to help.
