Third Week of Advent-Joy!
Each week in Advent has a particular focus.
This week’s focus is joy.
Rejoice always, pray constantly,
And give thanks for everything,
For this is God’s will for you.
(1 Thessalonians 5:16-18)

Dear Families,
What an amazing week it has been!
The 2016 concert, “Jesus, This Is Your Life” was a smash hit. Every child in our school community had a role to play in the performance. A very big thanks to Mrs Karen Vogel, the director of “Jesus, This Is Your Life”. Karen has devoted every spare minute lately, including all her lunchtimes, to bring the play to fruition. Well done Karen! And to make our night even more special, we were treated to items from our choir. Our multi-talented choir coordinator, Liz Quaas-Tynan showcased not only our students’ choral skills, but highlighted the Italian program offered at our school by teaching the students “White Christmas” in Italian. Wow! And last but not least, our band...after receiving instrumental tuition for just a few short months our students performed a rendition of Jingle Bells together. Very impressive indeed!

Play to Learn- St Joseph’s New Transition Program

Exciting news! Next year, St Joseph’s Primary School will offer a new transition program. The program, called “Play to Learn” will run each Friday, for children who will be attending primary school the following year. This play based program will be offered to ALL families in the Leeton community. The program is NOT limited to students who will be attending St Joseph’s Primary school. A key aim of the program is to provide a prior to school learning experience for children who may otherwise miss out.

Play to Learn will be free of charge and will commence on Friday March 3 2017. I am delighted to announce that Mrs Melinda McCrohon will be the teacher for the Play to Learn class. This program is completely separate to the transition program that children enrolling at St Joseph’s undertake in the last school term before coming to primary school.

Do you know anyone who may be interested in this new program? If so, please encourage them to complete the Expression of Interest Form, which accompanies today’s newsletter. Copies are also available on the St Joseph’s website. Places will be limited. A flyer about this exciting new initiative is also attached to today’s newsletter.
Additional Staffing 2017

Throughout 2016, Mrs Steph McCallum worked as a Specialist Literacy teacher in Kindergarten and Stage One, to provide additional assistance to support student learning. The results in the students’ achievement have been excellent. In 2017 this model will be expanded throughout the school. There will be a specialist Literacy Numeracy teacher in each stage. Mrs McCallum will continue to work in Stage One, Mrs Karen Vogel will take on the role of Specialist Literacy and Numeracy Support person in Stage Two, working with individual students and small groups of students in Literacy and Numeracy. Mrs Luisa Tavella will take on this same role in Stage Three, working with individual students or small groups of students to maximise Literacy and Numeracy achievement. We are very excited about this additional support for our students. We believe it will greatly assist student learning.

School Fees 2017

We are conscious of the financial pressures families experience, and we strive to minimise costs for families wherever possible. Throughout 2016, you will have noticed, many of the performances, incursions, excursions and sporting opportunities that St Joseph’s students enjoyed this year were either heavily subsidised or paid in full by the school. Also, St Joseph’s students taking part in sacramental programs were asked to contribute just one third of the cost of the program. All musical instrument tuition was provided free of charge. In 2017 we will strive to continue to minimise costs for families wherever possible whilst still providing a wide range of opportunities for our students. As well as supporting additional student activities where possible, there will be no increase to St Joseph’s School fees in 2017. St Joseph’s School fees for 2017 will remain the same as 2016.

2016 St Joseph’s Raffle

I was so impressed by the school spirit showed by the St Joseph’s community in support of the 2016 raffle. To see a HUGE DRUM FULL OF TICKETS on Tuesday night at the concert, made me feel so proud and inspired. The support of the raffle, from families right across the school was outstanding. Of course, special thanks must go to St Joseph’s P&F whose organisation and drive contributed greatly to making the raffle a success. Total raised was $2,835.65

Year Six Graduation

Next Tuesday evening at 6.00pm, our Year Six students will celebrate seven years of Primary School education, with their Graduation Mass and awards ceremony. These young people have now completed a major chapter in their lives and it is worthy of acknowledgement. All members of our school community are warmly invited to join us.

A reminder: Monday is movie day —the students will watch “Trolls” at the Roxy Theatre. The cost of each child’s movie ticket will be paid by St Joseph’s.

NO CANTEEN ON MONDAY FOR RECESS OR LUNCH!

Hi! My name is Gianna Fiumara, I am from Leeton and I have just completed my HSC at St Francis College. I’ll be volunteering with NET Ministries Australia in 2017. NET is a peer-to-peer youth ministry organisation that seeks to encourage young people to love Jesus and embrace the Church. I chose to serve with NET because I want to live out my faith with the many young people in Australia. I look forward to meeting new people and growing in love and faith.

I can’t do this without your support! Firstly I seek your support in the form of intercessory prayer. I need people praying for me and for the success of this exciting ministry. I also need your support financially. I am committed to raising a minimum of $6,400 prior to beginning my work with NET Ministries. While this amount does not cover the full cost during my time with NET, as the total cost is over $13,000, it is a very valuable investment in a better future for thousands of young people.

If you are able to support me financially, you may quickly and easily donate online. Just go to youcaring.com and search for ‘Gianna Fiumara’. For other ways to donate or for any other queries, feel free to contact me at gfiumara12@gmail.com. Thank you and God Bless.

**2016 St Vincent de Paul Christmas Appeal:**

Rebuilding Strength this Christmas

A huge ‘Thank you’ to our St Joseph's community for your contribution towards our St Vincent de Paul Christmas Appeal. The donations from families at our Kinder Giving Mass totalled $1024.00. It is during this time that the Society of St Vincent de Paul steps in to help restore hope to those families in our community who need help. We are so lucky to have an amazingly generous community here at St Joseph's. Thank you once again.

Mrs Gillespie.
Religious Education Coordinator.

Play to Learn

Commencing in Term 1 2017
10am-2:30pm
St. Joseph’s Primary School, ‘The Village’

http://web.sjeesw.catholic.edu.au

Your child is invited to join our year-long transition to school program, called Play to Learn at Joey’s.

Play to Learn is a free service. There is no obligation to enrol at St Joseph’s to attend, but your child MUST be enrolled in “Play to Learn” to attend. The program will be run by a fully qualified, experienced teacher.

Each session will run from 10:00am-2:30pm and includes a Morning Tea and a lunch break. (Students are asked to bring their own food.)

The program is based on Reggio Emilia approach to learning. This approach embraces co-operative, play based learning activities.

At Play to Learn, children will engage in activities such as:

* Story Time
* Number Play
* Music Time
* Creative and Visual Arts
* Outdoor play
* Gross Motor Skills
* Kitchen Garden Program

If you would like your child to participate, please complete an Expression of Interest form, by February 8, 2017. Forms are available at the St Joseph’s office, or can be downloaded from the St Joseph’s website.
PLAY TO LEARN AT JOEY'S

New Transition to School Program
As a team at St Joseph’s, we are excited by the possibilities our new transition to school program presents. Play to Learn will utilise the Reggie Emila approach to learning. This approach allows each individual child to explore and develop their interests in a safe, supporting, learning environment. Play to Learn will have limited places in 2017, so that we can provide quality educational experiences. Families who wish their child to be part of this program, are invited to complete this form and return it to the St Joseph’s office by Wednesday February 8, 2017.

St Joseph’s Canteen News

Thank you everyone for your support in the Canteen this term. It is much appreciated. The students are enjoying the new variety of items on the menu and it is great to see them get excited about the new fruit items – They especially love the Fresh Fruit Sorbets.

A special thank you to all who have volunteered. You have been an important part of enabling us to provide fresh healthy food to the students at St Joseph’s. We hope this support continues into next year. If you are able, please consider volunteering in Term 1 next year. The canteen will be run by volunteers on Tuesdays. This would be a great opportunity to spend some time with a friend and contribute to the school community. We would also appreciate a second set of hands on other days too so that we can make sure all lunches are prepared on time and to a high standard.

If you are interested in volunteering please fill in your details below and return to school by Wednesday 14 December.

Narrandera Excursion for Students Learning Instruments

Music in Week 10 will be our excursion to Narrandera on Monday 12th December. Miss Kane and Mrs Morris will be accompanying the children on the day. Students need to remember to bring with them on this day:

- Their instrument
- Music stand
- Music book – including the first concert piece they were given last week (we will have extra copies in case anyone has misplaced theirs)
- A refillable water bottle
- Hat

Lunch and Morning tea will be provided (if you have indicated that this is ok on the permission slip).

There are still some students who have not returned their permission slip so please do that ASAP. Students who have not returned the permission note will not be attending.

We are also waiting on many students to return their forms about continuing or not continuing with instrument tuition in 2017. If your child has not returned this form by Monday 12th December, their instruments will have to stay with the hire company. If your child is not continuing in 2017 they will also leave their instrument with the hire company at the end of the day.

What a fantastic year the students have had! All students have put in a lot of effort to practise their instruments at home and at school. Thank you to all students who played at our school concert on Tuesday night. It was fantastic to showcase what we have all been doing for the last two terms! You all did a great job!

Miss Kane.

Well, what a busy time we’re having! Between performing at Light up Leeton, the St Joseph’s Concert, visiting the Retirement Villages, the Christmas Street Festival on Sat the 17th December and Carols in the Park on the 18th, these students have earned a well-deserved break!

I’m so proud of the tenacity and commitment that every one of these children have shown. They have worked diligently, giving up playing with their friends every Thursday for most of the year.

So a special THANK YOU must go out to every one of you; Lizzie Piltz, Emma Fiumara, Grace Smith, Sophie Pamma, Jazzy Magalso, Elizabeth Hinder, Maria and Domenica Piccolc, Sarah Ponteriero, Johannah Curry, Katie McAlieece, Lisa Milne, Billy Cox, Clarice Alcock, Charlotte Mallemace, Tori and Tiana Mooney, Genevieve Bruno, Diedre Terblanche, Ruby O’Grady, Charlise Vitelli, Eden Riley, Natalia Nardi, Kade DelGuzzo and Macey Shirdon.

A final and HUGE thank you must go out to Rosanna Bruno. Not only are you an amazing singer, but so generous and giving. You are an inspiration.

Ciao e Buon Natale!

Sophie Odewahn & Helen Wozniak (stage 3)
"Brain function"

Grace Nardi, Blake Kelly & Eddie Mills (stage 3)
"Does food cook better with Gas?"

St. Josephs would like to acknowledge the entrants from our school in this year’s NATA Young Scientist of the Year awards. This was a volunteer individual or group project around the theme of “Science in our Lives” and the students had to come up with their own ideas for their project and presentation of their investigative findings for the competition.

We had some fantastic results considering this was a national competition!

Congratulations everyone,
You should be very proud!

**Sporting news from St Joseph’s**

This week saw the final week of the Stage 2 and 3 Gymnastics Program. Over the past eight weeks the students have learnt many skills associated with the challenging sport of gymnastics. From balancing, handstands, cartwheels, forward and backward rolls, jumps and turns as well as using apparatus such as rings, beams and trampoline. Students have engaged in and thoroughly enjoyed the opportunity to experience all that gymnastics offers. Hopefully as part of this program students have fostered a great appreciation of being physically active and the benefits of doing so. Huge thanks also to Mel and Laura who have been the instructors for all of this time. Your skill and expertise has been a driving force behind the enthusiasm the students have shown each and every week, always asking when you will be back to do more. Hopefully we can continue having this as an opportunity for students here at St Joseph’s.

While we are getting to the end of another school year I would like to personally thank all of the parents who have supported the school this year with school sport. From assisting at school and diocesan sporting carnivals to transporting and coaching school based teams. Thank you! Without your support and generosity the students here would not be able to participate in as many sporting opportunities. I look forward to working with you all again next year.

Speaking of next year a couple of dates for your calendars. Monday 6th February 2017 will be the St Joseph’s Swimming Carnival. Also during Term 1 will be the School Cross Country which is on Friday 31st March.

Stage 2 Giving Raffle

On Monday December 5th Fran Artese and Maureen Sheldrick, from the Community Christmas Lunch Committee, came to St. Joey’s to draw the winners of our raffle. The lucky winners are.....
1st prize - accommodation for 4 at Coogee Bay Hotel and tickets to Sydney Aquarium – Maree Graham
2nd prize – Hi Fi – Jo Gale
3rd prize – Ladies Pamper Pack – Judy Thompson
CONGRATULATIONS TO THE WINNERS!

Stage would like to thank everyone who bought tickets and we really appreciate your support. Your generosity has meant that we can give money to the Community Christmas Lunch Committee and we can also donate to St. Vincent de Paul.
Stage 2 will be going to St. Vinnie’s next week to give them the donation.
We are so glad that we can help many people in this Christmas season.

School travel 2017
Application information Nov 2016

Information for parents, guardians and students
Our school has partnered with Transport for NSW to use the new online process for you to submit school travel applications.

This means we will be able to process your application online, making it easier and faster for parents, guardians and students to apply for school travel.

Applications for school travel in 2017 are now open, including for travel to Macedon and Green Square stations and for private ferries. Parents, guardians and students are encouraged to apply as soon as they are able to:

Applications for 2017 school travel are now open via
www.transportnsw.info/school-students

A new application is required where:
- applying for a School Opal card or travel pass for the first time,
- enrolling in Kindergarten, or
- requesting an additional entitlement as a result of a changed parental responsibility situation.

You will need to do an update application if the student has a current school travel pass and:
- is progressing from Year 2 to Year 3,
- is progressing from Year 6 to Year 7, or
- changes address, or
- changes school or campus.

Already have a School Opal card or travel pass?
- When you've updated, and you are eligible for free school travel next year, Transport for NSW will send you an email confirmation once your application has been processed. For travel in rural or regional NSW, we'll also inform your nominated transport operator(s).
- If you already have a School Opal card but does not need updating, or you've successfully re-applied, the Opal card will automatically be updated for travel next year. Do not throw it out as you'll be able to use it when the school year starts in 2017.
- If you currently have a printed travel pass provided by your transport operator, a new pass will be sent at the beginning of the new school year.
