Online Ordering

Register

We would like to congratulate and thank all those families who have already started using our online ordering system for canteens. We feel very encouraged by the response we have had so far from our valued customers. Please remember that every single order, no matter how small, helps us give back to the students and the community. Your school P&F has made an important change for getting online with ordering and so is heading for a more efficient and effective service for you and your family. Congratulations! It has cost your school a minimal amount and will cost you as a parent nothing.
