

ST. JOSEPH'S PRIMARY SCHOOL LEETON

UNIFORM POLICY

RATIONALE

At St Joseph's school all members of our community experience respect, dignity and justice. In accordance with this belief, our school requires students to wear a uniform and also prohibits the wearing of brand name items of clothing.

In wearing their school uniform, students represent St Joseph's in the wider community, and in so doing so wear their uniform with pride. A school uniform also promotes equality amongst the students, removing the element of competition and therefore celebrating our Gospel values of respect and social justice.

In choosing the uniform, many factors are taken into consideration. The style of the sports and school uniforms provide safety and practicality for students when participating in each of the Key Learning Areas.

Parents are encouraged to ensure that the students are equipped with full school uniform. The students also must take responsibility for wearing the full and correct uniform. The staff of St Joseph's actively encourages students in this pursuit.

AIM

To promote equality, respect, dignity and justice through the wearing of St Joseph's School uniform.
