St Joseph's Canteen Volunteers

Term 1 2017

Why Volunteer?

The Canteen is a service for the school provided by the P & F. This means the canteen needs to cover all of its costs including food, packaging and labour. Any profits made by the canteen are returned to the P & F to provide additional resources and equipment for the students at St Joseph's.

The canteen is staffed for four days each week. **Two volunteers are needed to assist in the canteen each Tuesday.**

An additional pair of hands is useful at any time to help the canteen run more efficiently.

Children love to see their parents at school.

Volunteering is an excellent way of role modelling the values for generosity and service promoted by the "Bucket Filling" initiative to children.

Without volunteers the canteen may not be able to open 5 days a week. Please consider carefully how you or a significant person in your child's life may be able to volunteer in the canteen.

Who Can Volunteer?

Any of the important people in a student's life can volunteer. This includes parents, carers, grandparents, etc.
